Re: Freedom of Information Request

Request/[Response](#):

1. Do you have a clinical lead for men's health in your CCG?
2. Do you have a clinical lead for women's health in your CCG?
3. What specific policies or programmes, if any, do you have that are targeted to improve the health of men and/or boys?

[NHS South Sefton CCG do not have a specific clinical lead for either men's or women's health.](#)
