- Inpatient hospital beds
 - Nursing care homes
 - Residential care homes (without nursing)
 - Supported living

For questions 1 & 4 - This information cannot be disclosed as it could potentially identify the individuals, especially if combined with other data, and this would constitute a breach of the data protection principles are set out in Article 5 of the General Data Protection Regulation.

Due to in some instances low numbers (fewer than 5), the likelihood exists that individuals who are the subject of this information may be identified either from this information alone, or in combination with other available information. In addition to this, as this information is considered to be sensitive personal data. The CCG believes it has a greater responsibility to protect those individuals identities', as disclosure could potentially cause damage and/or distress to those involved.

Therefore, this information is exempt from disclosure under section 40(2) of the Freedom of Information Act 2000 on the grounds that it is personal information.

Section 40 is an absolute exemption therefore is not subject to the public interest test.

Please see attached document for further details on the exemption applied.

For questions 2,3,5 and 6 – please see appendix 1.
