Re: Freedom of Information Request

Please find below the response to your recent Freedom of Information request regarding Covid vaccines within NHS South Sefton CCG.

Request/Response:

1. How many people have been offered a covid vaccine?
2. How many people HAVE TAKEN UP the offer of a covid vaccine?
3. How many people have set up an appointment for the vaccine but then not attended?
4. How many vaccines have had to be disposed of without being administered?
If it's possible to provide figures for the time from the start of the vaccination programme up to the latest available date?
5. Also, would it be possible to provide the above figures per age group please?

For questions 1-5 NHS South Sefton CCG does not hold this level of data as the vaccination data is released nationally. Below is a table which shows the number of vaccinations given by age group from the start of the vaccination programme to 12th April 2021.
